Why HAUSTERN Stainless Steel Faucet?

HAUSTERN HIGH GRADE-304 STAINLESS STEEL FAUCETS

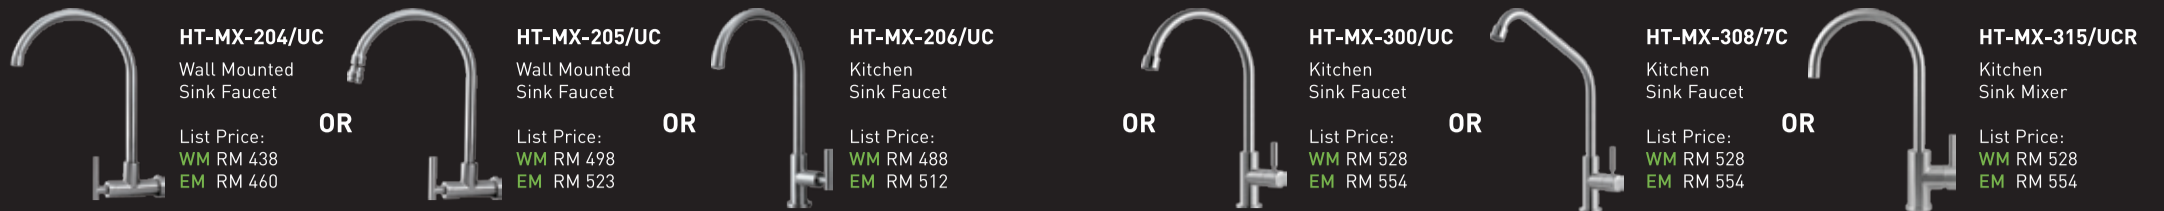

Indestructible and heavy-duty body with non-corrosive surface. Smooth and clean inner-wall surface that assures you with "LEAD-FREE".

STANDARD BRASS FAUCETS

> Electroplating process provides only temporary brightness. Outer surface will fall off as time goes by.

> Uneven inner-wall easily trap the soil, dirt; and "LEAD" resulted from the corrosion will dilute into water and harmful to human body and the environment.
